

December 1st, 2005

Attached is the 2006 PAAF team budget application. The budgets will now be on a *calendar* year versus a *fiscal* year. This budget will take effect January 1st, 2006 to December 31st, 2006.

If you are the team captain/manager/representative and in charge of submitting this form, please use the following guidelines:

- Money not used during the 2006 year does not rollover to the next year.
- Each new budget cycle needs a new request for funds.
- Attach a team roster with your budget request forms. Use a separate sheet of paper for the list of team members. ***Without a roster, your request will be returned and may jeopardize funding for the year.***
- ***PAAF requires that for your team to receive funding, ALL TEAM MEMBERS MUST BE A PAAF MEMBER.***
- ***All team members must remain a PAAF member for the year funding is granted or the team will not receive funding for the remainder of the year as well as the following year.***
